

Accepting Our Terms

By asking us to quote for, arrange, or handle your insurance, you are providing your informed agreement to these Terms of Business.

About us

Carrot Insurance is a trading name of Carrot Risk Technologies Ltd registered at 98 Liverpool Road, Formby, Liverpool, Merseyside, L37 6BS, and is authorised and regulated by the Financial Conduct Authority (FCA). Our firm reference number is 610895, which may be verified on the FCA's register by visiting the FCA's website <http://www.fca.org.uk/register> or by contacting the FCA on 0800 111 6768.

Our role is to provide you with enough information for you to make an informed decision about the suitability of our products for your demands and needs. We will do this by asking questions to assess the risk and obtain a quote from the insurer. We can answer any questions about the cover, so you can make a decision about whether it is right for you, but we cannot provide advice or recommendations.

Product Providers

We only offer motor insurance products from a limited number of insurers. Please visit our website at www.carrotinsurance.com to view our list of the insurers we work with by insurance product.

In addition to motor insurance products, Carrot can arrange, at your request, additional insurance products; these are breakdown cover, key cover, legal expenses and guaranteed hire vehicle. These products run alongside a motor insurance product and cannot be purchased separately. Cancellation of a motor insurance product will automatically result in the cancellation of any additional insurance products. We will not in any circumstances act as an insurer nor guarantee or warrant the solvency of any insurer.

Your duty of disclosure

You must take reasonable care not to make a misrepresentation to the insurer. This means that all the answers you give and statements you make as part of your insurance application, including at renewal and when an amendment to your policy is required, should be honest and accurate. If you deliberately or carelessly misinform the insurers, this could mean that part of or all of a claim may not be paid. We use your information to carry out checks on databases which help detect and prevent fraud and financial crime. If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies to prevent fraud and money laundering. Further details explaining how your details may be used or how the information held by fraud prevention agencies may be used can be obtained from us at your request.

Compensation arrangements

We are covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim. Insurance advising and arranging is covered for 90% of the claim, without any upper limit. For compulsory classes of insurance, insurance advising and arranging is covered for 100% of the claim, also without any upper limit. Further information about compensation scheme arrangements is available from the FSCS on 0800 678 1100 or 020 7741 4100 or by visiting <http://www.fscs.org.uk>.

Cancelling Your Insurance

How to cancel

You can cancel your policy at any time by calling us at 0208 629 3308

Your Cancellation Rights

Within 14 days

You have the right to cancel your policy within the "cooling off period" which is 14 days from when you purchase your policy, or when you receive your policy documents, whichever is the later. For a renewed policy, this is within 14 days of your renewal date.

Provided you have not incurred any claims during that period the insurer will pay a pro-rata refund of the premium. In addition, we will keep an amount which reflects the administrative costs of arranging and cancelling the policy. Details of these amounts are given in our **Fees and Charges** below.

If the refund provided by the insurer is insufficient to cover our charges you will be required to pay the balance to us.

After 14 days

If you wish to cancel outside of the statutory cancellation period of 14 days (where this applies), provided you have not incurred any claims during the period, you may receive a pro-rata refund of premium. Please refer to your policy documents for further details as some insurers may use a short-period cancellation scale for calculating refunds. In addition, we will also keep an amount that reflects the administrative costs of arranging and cancelling the policy. **Please refer to the Fees and Charges outlined below.**

If the refund provided by the insurer is insufficient to cover our charges you will be required to pay the balance to us.

Where applicable, all refunds will be processed to the same debit/credit card that was used to make payment on the policy. If you were paying for your premium on direct debit, any refund will be offset against any outstanding direct debit payments and any shortfall will become payable by you. If you are paying on direct debit, your insurer may pay your claim settlement to the finance house to discharge any sums owed to them.

If you have had any fault or open claims on our insurance policy there is no refund of premium so this means that you will be liable for the full premium, even if you decide to cancel the policy and/or your policy is cancelled for non-payment.

If you take out a new policy with us and make a payment towards this new policy but have a previous policy with us that has an outstanding balance, we reserve the right to transfer any money paid on the new policy to cover the debt outstanding on your previous policy.

Applicable to all products

If an annual policy is cancelled, we will deduct the commission amount due from any refund. This is dependent upon the commission percentage we receive from each insurer. Prior to acceptance, charges, payments and frequency of collection will be explained to you in full. No cover will be incepted until the agreed payment has been received.

Our earnings

In return for placing business with insurers, underwriters, and other product providers we normally receive a commission from them which is a percentage of the annual premium that you are charged with. You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing your insurance business.

We may also receive a commission, which is a percentage of the total cost of credit, for the arrangement of any credit agreement linked to your insurance policy. This means that the amount you pay for credit and the overall cost of arranging your insurance will vary according to the interest charged by the lender and the amount of commission we earn.

Please be assured that at no time will the way in which we are remunerated conflict with our responsibilities to meet your needs.

Payment by Instalments

We act as a credit broker; this means that we can arrange instalment facilities for you with a lender. The lender we will offer you is Granite Finance Ltd, a sister company of Carrot Insurance.

We never take a fee from customers for this credit broking service and any charges imposed by the lender will be explained in the Consumer Credit Agreement provided by them. This is a Credit Agreement between you and the lender and is in effect a loan for the initial premium and/or renewal of your policy. This agreement should not be cancelled until this has been repaid in full to the lender, even if the insurance is cancelled. **Funding your insurance premium in this way, will be more expensive compared to paying for your policy upfront, as this will include a rate of interest within your credit agreement.**

The lender may charge an administration fee if you fail to make your direct debits on the due date, so please ensure you are fully aware when your payments fall due and read through your finance documents carefully to understand the nature of any additional fees and charges which may be imposed by them.

If you fail to bring your account up to date, the lender may cancel your credit agreement to avoid increasing the debt.

As a consequence of cancellation of your credit agreement due to non-payment, your insurance policy will also be terminated.

When paying for your premium on direct debit, any refund will be offset against outstanding direct debit payments and any shortfall will become payable by you. In addition, your insurer may pay your claim settlement to the finance house to discharge any sums owed to them.

If you have had any fault or open claims on your insurance policy there is no refund of premium so this means that you will be liable for the full premium, even if you decide to cancel the policy and/or your policy is cancelled for non-payment.

Documents sent by email

If you have agreed to receive your policy documents by email we will send all documentation, including your certificate of insurance, to the email address you have supplied to us. Please note, we have the right to cancel a policy by giving you notice by email. It is therefore important that we hold the correct email address for you so please contact us if you change your email address and/or have not received your documents by email.

Your Certificate of Insurance and Schedule will confirm the type of policy you hold with us. This will be either 'Safe Driver' or 'Private Car Telematics'.

We will notify you in good time via email before your renewal date advising you of your renewal price and other important information. In some cases, we may be unable to offer you a renewal price and we reserve the right not to renew your policy. If this is the case, we will notify you that we are unable to offer you a renewal price.

Your renewal notice will be based on the information that we hold so if anything has changed, please do let us know so we can provide you with an updated quotation.

Renewal Discount

At renewal your premium will be assessed, and you may be eligible for a discount, depending on various factors.

This will include your driving data as assessed by our telematics product and algorithms (a procedure of instructions).

Weekly Rewards

This section is only applicable for Private Car Hard-Fitted Device Telematic Policies

Weekly Driving Style rewards are awarded based on good driving behaviour as assessed by our telematics product and algorithms. We may change these algorithms at any time without providing notice; no compensation will be provided as a result of any decrease in score following updates to our scoring methods.

Reward points will be awarded and accessible via a secure online platform provided by us. These reward points must be claimed within the timeframe specified in your policy documents. If you fail to claim these reward points prior to their expiration, these points will be lost. Carrot will not be liable to honour expired reward points that have not been claimed for any reason.

Claimed reward points will expire immediately on the point of policy termination including cancellation or following expiry of your policy. You are responsible for ensuring that all points have been spent prior to the cancellation or termination of your policy. Any unspent points will be lost. Carrot is not liable to honour any points that you have failed to spend prior to the termination of your policy for any reason.

Reward points can be spent on online vouchers provided by our rewards partners. When claiming your reward vouchers you will be required to agree to our gift partner's terms and conditions.

Reward points have no monetary value, you will not be entitled to cash payments in lieu of reward points.

Cancellation of automatic renewal

Should you purchase a policy which is subject to an automatic renewal, you can at any time exercise your right to cancel your policy from automatically renewing. This can either be actioned at the time of purchasing your policy or at any time during the policy term. You can do this by contacting us on webchat at www.carrotinsurance.com or calling us on 0208 629 3308.

Protecting your money

Prior to your premium being forwarded to the insurer and for your protection, we hold your money as an agent of the insurer in an Insurer Trust Account. This means that it is regarded as having been received by the Insurer when placed in this account. We may need to transfer your money to another intermediary in some cases; where this happens, it is still regarded as having been received by the insurer when placed in the Trust Account. We also reserve the right to retain interest earned on this account. *By accepting this Terms of Insurance Business document, you are giving your consent for us to operate in this way.*

Protecting your information

All personal data held about you will be collected, processed and stored securely in accordance with the Data Protection Legislation. When we refer to the **Data Protection Legislation**, we mean:

- I. the Data Protection Act 2018 ("the 2018 Act") and the United Kingdom General Data Protection Regulation ("UK GDPR") and any national implementing laws, regulations and secondary legislation, as amended or updated from time to time, in the UK;
- II. the General Data Protection Regulation EU 2016/679 ("GDPR") where applicable;
- III. the Privacy and Electronic Communications (EC Directive) Regulations 2003 ("PECR"); and
- IV. any applicable successor legislation.

We may share your personal data with legitimate third parties where the disclosure is made at your request; or to validate your insurance contract where the law requires us to; or where a mutual third party requires us to validate your insurance contract. Our regulators, for example, the FCA, may ask us to provide it with access to our customer records in order that it may carry out a review of our activities.

Some or all of the information you supply to us in connection with your insurance proposal may be passed to insurance and other companies for underwriting, claims and premium collection purposes. We and/or the insurers and/or credit providers may use publicly available information about you from a variety of sources, including credit reference agencies and other external organisations to verify your identity or creditworthiness, to avoid fraud, and to obtain beneficial quotes and payment options on your behalf. Each of these searches may appear on your credit report.

Under Data Protection Legislation, you have various privacy rights in respect of your personal data including the right to access and the right to find out about how your data is collected, used and stored. We have set out your rights and how we use your personal data in more detail in our Privacy Notice available on our website www.carrotinsurance.com. If you have any questions about how we use your personal data, please contact us at data@carrotinsurance.com.

How to Make a Claim

If you are involved in an accident or incident which may give rise to a claim on your policy you should contact the insurer within **24 hours** of the claim or incident occurring, regardless of who you think is responsible or to blame. Please refer to your policy summary or your policy document for full details of what to do in the event of an accident or incident and how to notify your insurer of a claim.

Carrot Insurance is not involved in the investigation or settlement of any claim but will work with your insurer or appointed claims management company to provide any information required for the handling of your claim, including the provision of telematics data where necessary.

Awareness of Policy Terms

When you take out a policy, we will send you a statement of fact and/or proposal form which shows the information you have supplied to us to obtain insurance cover. Please check this carefully and inform us immediately of any errors. Please also check your schedule of insurance, certificate of insurance along with your policy wordings, and Insurance Product Information Document carefully, as it is these documents which form the basis of the Contract of Insurance you enter into. If you are in any doubt about the policy terms and conditions, please contact us promptly.

Policy documentation can also be found on our website at www.carrotinsurance.com/help/documents-and-ipids/; however, it is important that you refer to the policy documentation which applies to your specific product and the date when you purchased the insurance policy. If you are unsure which policy applies to you, please contact us.

Policy validation

To ensure that the policies we provide are appropriate to your needs and provide the correct cover, as well as preventing fraud, we are required to validate the information you have provided to us. To do this we will contact you to confirm your details and collect any necessary information to assist in the validation process. By validating your Insurance Underwriting details, we are reducing the risk of incorrect information forming the basis of your insurance contract and future claims not being indemnified due to this incorrect information.

We will validate your information initially by checking a number of databases such as the Claims and Underwriting Exchange. We will need some further details from you such as your Driving Licence details and DVLA share code.

We will also ask for a copy of your No Claims Discount (where applicable) which will need to be sent to us within 7 days of the request to prevent any additional premium from becoming payable. You can upload this via webchat at <https://www.carrotinsurance.com/contact-us>. If supporting documentation is not received, we reserve the right to cancel the policy or charge an increased premium. We may also cancel or void the policy if a serious misrepresentation or act of fraud is detected, but only if the policyholder has acted deliberately or carelessly in not telling us the truthful information required to validate the insurance application. You can contact us on webchat: www.carrotinsurance.com or by calling us on 0208 6293308.
